

## GET A TASTE OF YOUR CENTRAL ALBERTA MARKETS

This summer, prepare to experience the best Central Alberta has to offer at one of its many farmers' markets! Get your hats and sunglasses out – there's no better way to enjoy handmade goods made by awesome locals in an outdoor, relaxing atmosphere. No matter where you are located, rest assured there's a market close by, ready to offer you fantastic summer experiences.

Central Alberta is home to a community of people who believe in the philosophy of supporting local. So with that in mind, below is a map of farmers' markets you can visit in the region. You can be sure to expect plenty of locally grown produce, jewelry, decor, arts and crafts, and from local vendors, farms, growers and artisans. You can also see opening hours so you can see which fit in your schedule or better yet, try to make a trip out of going to them all to better enjoy the unique vendors!
